## 20th Annual Auction Event

**We have an important update regarding our planned live auction on April 12th.** After carefully reviewing ticket sales and item donations from our call sheets, it has become clear that we did not meet the thresholds needed to host an in-person event this year. With lower participation in both areas, we have decided to cancel the live event to avoid incurring excessive costs.

However, we are excited to pivot to an extended Facebook auction, allowing us to continue our fundraising efforts in a more accessible format. The virtual auction will take place from Saturday, April 12th, to Friday, April 18th. This approach reduces our expenses and broadens our reach, which is crucial for meeting our fundraising goals. Last year's in-person auction was a fantastic success, and we are enthusiastic about replicating that success this year. We have a variety of items that cater to all budgets and interests, and we are confident that there will be something for everyone.

**To make this event a success, we need your help! It is imperative that every family participate actively by sharing the auction on social media and inviting friends, family, and coworkers to join in! The success of this event directly impacts our ability to maintain affordable tuition and provide necessary financial aid. Without sufficient funds raised, we may face considerable cost increases next year.**

For those who have already purchased tickets to the live event, we will issue refunds and provide details on the next steps shortly.

We count on your support and collaboration to make our virtual auction successful. Please stay tuned for more details, and let's all work together to ensure our school can continue to offer the best for our children!

Thank you for your understanding and continued support.

Best regards,  
The Auction Committee
