## Summer Learning

To maintain and extend academic learning over the summer months, there are workbooks you can purchase to help review math, reading and language. The books are called Vacation Stations.

The book is set up to cover 2 worksheets a day.

If you would like to place an order to help your child's learning over the summer, visit this website: <https://www.bjupress.com>. Type "vacation stations" in the search bar and scroll to find the correct grade for your child.

## Summer Scrip

During the summer, you can place a scrip order through the RaiseRight app or on the website and have it shipped directly to your home.

Scrip cards will be available in the church office as well. Call first to check summer office hours at 715-723-8273.
