

## **FAMILIES PLACING A SCRIP ORDER:**

- Orders must be placed by Monday before 1:30pm on the school ordering dates, either through the app/website or in the SCRIP order box.
- Enrollment code for the Raise Right App or raiseright.com is **#6898L53F1727L**.
- When the school places an order, that order will arrive to go home with the oldest child by the Friday afternoon after the order is placed.
- The most updated list of available gift card brands and increments to order are on the Raise Right App or at raiseright.com. At the bottom of the page there is a link that shows 'See All Brands' or you can search by category.
- All physical orders (not through app/website) need to be accompanied by a blue sheet and payment. Even if you are only purchasing from the school binder, we need the blue sheet filled out to receive tuition credit.
- We cannot order gift cards until payment is received. Checks need to be written to Christ Lutheran School and must be separate from tuition payments or any other form of payment.
- If you are placing an order through the app/website and select for it to ship to coordinator (school), that order **DOES NOT SHIP UNTIL THE SCHOOL PLACES AN ORDER**. Double check the school ordering dates if you need your gift cards by a specific time. If your order is urgent, alternatives are to ship them to your house for a small shipping fee, use electronic gift cards, or add money to physical gift cards which are able to be reloaded.
- Tuition credit is given on a Monday through Monday basis except at the end/beginning of the month, if the month ends on a different day. You are given 5% tuition credit of your total SCRIP order. Tuition statements are mailed out at the beginning of the month.
- We are not responsible for unwanted SCRIP. Please double check your order and payment. If we have issues placing an order, we will call you, so be sure to have your phone number listed. We must have school orders submitted before 2pm Monday of the ordering week, so if we cannot reach you, we will do our best to accommodate.
